

Statement from Midland Ancestors

Midland Ancestors has issued the following statement regarding the Coronavirus crisis:

In view of the current Government advice, all Midland Ancestors events and meetings are suspended as of today (17 March). This includes the Family History Centre in Birmingham, outings, members meetings, both in Birmingham and at satellite groups. The situation will be monitored and will be reviewed as and when the position changes.

If you attend one of our satellite groups, please stay in contact with the group organisers either via our website or through the local group.

We will try to keep you up to date with the current situation using our website, via the society Facebook pages and Twitter feeds, and updates may be made available through local group newsletters.

Always heed government advice, if in a risk group, stay at home

Consequently, the Bromsgrove meetings on 14th April and 12th May are cancelled and we hope to reschedule the speakers at a future date. Please check back here for further information.
