

Worcestershire Local History Forum is inviting submissions for its Photographic Competition. The theme for 2017 is Windows of Worcestershire. The competition is open to members, both individuals and societies, with cash prizes in each section. See www.photo2017.wlhf.org.uk for details and an application form.

The WLHF is also launching a Research Grant scheme to support research into the archaeology, history and architectural history of the modern and historic county of Worcestershire. Details and application form at <http://www.wlhf.org.uk> .
