

**From February 2022, our monthly meetings will resume at the Methodist Centre, Stratford Road.**

After the enforced break over December and January, we're really looking forward to welcoming everybody back and to sharing entertaining and informative talks on family and social history.

The first meetings in our 2022 programme are:

- 08 February: "A Brief History of Small Arms", speaker Tim Barney.
- 08 March: "Coronor's Inquest Records", speaker Liz Palmer.

As usual, meetings will commence at 7.45pm.

We look forward to seeing you!
